The parade route is 2.8 km in length and will take approximately 1 -1.5 hours to complete. All participants are to ensure their entries are able to maintain a steady and consistent speed on the route as to not interfere with the constant motion of the parade and afford no gaps for spectators. Entries must not deviate from the established parade route unless directed by a parade official or R.C.M.P. officer.

The Stettler Steel Wheel Stampede Parade will run rain or shine.

4. All entries must be at the marshalling area (62 Street- Recreation Road- **Access from 44th Avenue ONLY**) any time between 10:00 am and 10:45 am. Please arrange to have your float decorated before arriving at the marshalling area. Parade position will be assigned by members of the Parade Committee.
5. For Safety reasons **candy or advertising items may only be handed out** along the parade route. Under no circumstances will throwing items be allowed. To ensure the comfort and safety of all spectators viewing the parade, water guns or apparatus that shoots water or other material are strictly prohibited.

6. All drivers must have a valid driver's license and may be asked to present their license when they arrive to the marshalling area. All entries must allow the driver a 180-degree view of the route at all times. All entries, detached or otherwise, should have direct communication with the driver.
